ABOUT US

Design and Layout SERVICES

ORDER NOW

Shawn's Graphic Designs is all about exceptional quality and exceptional service. By phone or through email correspondence, you can consult with an expert to help you with all your graphic design needs.

You may give as much or as little input as you like. At a minimum we need to know who you are, what you do and your target market. Shawn's Graphic Designs (S.G.D.) can take care of the rest. However if you already have ideas, you are able to instruct S.G.D. to develop a concept around your ideas.

Submit your information by email and/or follow up with a phone call. After your information is collected and S.G.D. has an idea of your needs, you will shortly thereafter receive a one of a kind product.

Our base rate begins at $25.00 an hour and varies depending on complexity of your project.

Yard Signs provide a cost effective way for you to get your message across. They are printed on both sides for visibility in any direction. Construction is from the highest quality 4mm Corrugated Plastic available. It is both lightweight and durable. The flutes make the signs sturdy as well. The printing is done with UV inks for long lasting, full color signs.
